FSP
The Family Security Plan®

Fun and free tips for how to enjoy family fun month!

Summer is all about picnics, flip flops, lemonade stands, freedom from school, outdoor play, and summer camp. If you're seeking unique ways to entertain your kids without breaking the bank, keep on reading!

Scavenger Hunt

They are easy, inexpensive, and can be done using things you already have in your home. There are many ways to get creative with a scavenger hunt and you can find lots of examples online!

Learn Something New!

Families can have fun trying out a new skill together, such as cooking, learning a new language, or exploring crafts! It's a great way to bond and create lasting memories.

Paint Rocks

Another budget-friendly craft idea that doubles as a fun garden decoration or a personalized paperweight! This gets the kids outside searching for the perfect rock to paint.

Have an Outdoor Family Movie Night

Backyard movie night is the perfect summer night activity! Get some popcorn and a blanket and set up a movie under the stars for your family.

Make Homemade Ice Cream!

Ice cream is the perfect summer treat and can be fun and EASY to make! You can find many recipes online, but you only need a few simple ingredients, heavy cream, whole milk, sugar, salt, vanilla extract and any add-ins like brownies, cookies, or chocolate!
